

Price clarity. Shopping confidence.

A simple scan puts the price in your customer's hands, right where they shop.

01 Scan the barcode

02 Check the price

03 Shop confidently

FOR YOUR CUSTOMERS

Know before checkout

See the item description and price before deciding to buy.

Stay in control

Check prices independently and make choices that fit the budget.

Keep shopping moving

Get an answer in the aisle without searching for a team member.

FOR YOUR BUSINESS

Give staff time back

Reduce routine price enquiries so your team can focus on service.

Build customer trust

Clear, easy-to-find price information supports confident purchases.

Simplify price lookup

Retrieve item details and prices from your store's connected database.
